

STANFORD UNIVERSITY MEDICAL CENTER

DEPARTMENT OF GENETICS

September 9, 1980

Joshua Lederberg, President
The Rockefeller University
New York, New York 10021

Dear Joshua:

This is to confirm that I would like to stay in New York between the evening of Thursday, September 18th, arriving at 7 or 8 P.M. and having already dined, and Wednesday, the 24th. I may be away over that weekend of the 20-21st. On Wednesday the 24th and until Saturday I will move to the Hilton Hotel, where I have a reservation, because it is closer to the genetics meeting.

but only starting Sunday

I presently hold a reservation at the Abby Aldrich, but if I can come to your house as you kindly offered I can give up that reservation. As I mentioned to you, Doug Wallace would be very happy to retain the reservation from Tuesday, September 23rd, until Saturday the 27th. He has at the moment no other place to stay in New York and I mentioned to him that he could stay at the Abby Aldrich in my place. He will call your secretary directly to make sure about the arrangements.

Thank you for the bibliographic information on Opie. It looks very interesting. I look forward to seeing you soon.

Yours sincerely,

Luca
